

**RSB TRANSMISSIONS, JAMSHEDPUR, BAGS ONE OF THE
WORLD'S HIGHEST TPM EXCELLENCE AWARD, IN TOTAL
PRODUCTIVE MAINTENANCE
FROM
JAPAN INSTITUTE OF PLANT MAINTENANCE**

Four Manufacturing Plants of RSB Transmissions (I) Ltd, , Unit I, II, III & 5WC at Jamshedpur, is conferred with TPM(Total Productive Maintenance) Excellence Award, Category A, one of the highest global awards in Productive Maintenance, by JAPAN INSTITUTE OF PLANT MAINTENANCE(JIPM), Japan. This is in addition to globally accredited Deming Prize won for Business Excellence in TQM (Total Quality Management) in 2013 by Auto Vertical of RSB Transmissions.

RSB has thus joined the select band of elite global corporate in quality & productive maintenance. It is only one in Eastern Zone of India to bag these two awards with Tata Steel.

The TPM Excellence Award is an annual feature of JIPM to organizations that successfully implement highest standard of Total Productive Management practices. It is one of the most coveted and prestigious awards in the world in the field of management practices.

Traditionally award is given at an impressive annual ceremony at Osaka, Japan, in a sublime function, but due Covid19 pandemic across the globe, same has been unavoidably given a pass; however, award was sent by special air courier to RSB, which was just received.
