

RSB, JAMSHEDPUR, BAGS AWARD FOR VOLUNTARY INITIATIVE IN BLOOD DONATION

RSBians of Jamshedpur Plants (Unit I, II, III & 5WC) have been always in the fore-front in organizing Blood Donation Camps periodically with zeal and enthusiasm to donate blood to under-privileged and have-nots for use in exigencies and perilous situations where need of the hour is affordable blood.

The voluntary initiative of Jsr colleagues, who always cherished “Gift of Blood, is Gift of Life” and a social commitment to society at large, have been commendable with inspirational participation in large numbers at the camps to donate life-saving blood, clocking record unit collections. Their deeds were always spoken in discreet silence.

For the excellent voluntary social initiative undertaken by RSBians of Jamshedpur, Voluntary Blood Donor Association (VBDA), Jamshedpur, recently conferred on them “Best Performance Award”, Corporate Sector Category, for 2017-18, in a glittering function organized at Michael John Auditorium Jamshedpur, in the august presence of dignitaries and medical fraternity. The award, on behalf of RSB, Jamshedpur was received by our colleagues, Mr Suyash Verma and Ms Jaya Singh, from the hands of Mrs. Ruchi Narendran, wife of Mr. T.V. Narendran, Mg Director, Tata Steel.

Great! Congratulations with Thundering Cheers from RSB Parivar!
