

# RSB PUNE PLANT GETS GOLD & SILVER AWARDS @ KAIZEN MELA

July 2014

*Annual Lean Kaizen Mela @ Pune, which always had participants from leading industrial giants, is never complete, since its inception, without RSB Pune colleagues bagging the award and that too year after year in a row. Now we have lost the count of it. That's why we call 2014 Lean Kaizen Award as "nth" time in a row, where Pune plant once again bagged the top honors in Lean Kaizen Mela by bagging Gold & Silver awards, amongst the leading industrial participants drawn from Titan Industries, Mindas, Godrej & Boyce, Burckhardt, Haier, Mahindra Steel et al – to mention only a few amongst the scores.*
