

RSB INKS PACT WITH Andhra Pradesh Government To Set Up Plant In Sri City, Ap

In a separate event held recently, Mr SK Behera, Vice Chairman & MD, RSB Group, inked a pact with Andhra Pradesh Government in the gracious presence of Mr Chandrababu Naidu, Hon. Chief Minister of Andhra Pradesh, to set up a state-of-art facility at Sri City at an investment of Rs 60 crores, to manufacture latest generation of propeller shaft to cater to Isuzu Motors and other global OEMs - Ashok Leyland, Daimler, etc in south besides pan India and overseas. RSB has an on-going collaboration with world-renowned Eugen Klein GmbH, Germany and Jidosha Buhin Kogyo Co. Ltd. (JBK), Japan, for manufacture of technologically advanced Propeller Shaft.

Mr Behera, speaking on the occasion, said RSB is a market leader in Propeller Shaft in catering to leading OEMs and this pact will further boost RSB's market share catering to CV/SUV/LCV segments. He further added, RSB is a Deming Company, quality norms are very stringent and meets uncompromising global standards.
