*In a glittering function, attended by industry luminaries, held at Hotel Westin, Pune, Mr RK Behera, Chairman, RSB Group, was conferred with “Super Entrepreneur Award 2015” from the hands of Mr Kalraj Mishra, Hon. Union Minister of State, MSME, in a glittering function organized by Times of India Group, (Machinist)*

*Mr. Behera was awarded for his extraordinary journey of entrepreneurship, who has added great value to the industry in particular and the economy as well as society in general with his vision and leadership*

*Mr. RK Behera, in his acceptance speech, epitomizing his humility, said that he started his entrepreneurial journey in 1975 with a meager monetary help of Rs 15,000/- from his father. Passing through numerous trials and tribulations, he along with his brother Mr. SK Behera have led and nurtured RSB into a global engineering institution with 13 state-of-the-art manufacturing plants spread over 7 locations in India namely Jamshedpur (Jharkhand), Pune (Maharashtra), Dharwad (Karnataka), Chennai (Tamil Nadu), Pantnagar (Uttarakhand), Cuttack (Orissa) and Lucknow (Uttar Pradesh); and one each in Homer (USA), Silao (Mexico) and partnered venture at Brazil, with cumulative employment base of more than 4,000 persons. He further added that he truly felt honored by this award.*

*While thanking RSBians for success of his entrepreneurial journey and also for the coveted award Deming Prize won in 2013, he reiterated that ethic has always been his Group’s foundation, passion for excellence interspersed with humanism and endeavored to work for the development of society with a missionary zeal.*
