

## **EDUCATION TO UNDER-PRIVILEGED**

***Padmabati Shiksha Niketan(PSN), a philanthropic educational venture, with an unique difference from RSB, is launched to cater specifically to “have-nots” who are below poverty line and cannot afford education for their little ones to uplift rural children so that they are lighted to sparkle in their life, take care of their parents when they grow old and do service to community with values inherited during their sojourn with School.***

***PSN’s charter aims to imbibe in the minds of students six precious virtues for which the word “SCHOOL” stands for:***

***S = Sincerity***

***C = Cleanliness***

***H = Honesty***

***O = Orderliness***

***O = Obedience***

***L = Loyalty.***

***PSN is perpetually committed to provide best education matching global standards, thereby contribute to social progress and up-liftment of rural children, who otherwise are deprived of basic education. No fees are charged from the under-privileged children and School ensures that teachers & students are picked up/dropped back free-of-charge.***
